

This document will provide information about how Playground AR collects and processes data.

**Playground AR will only collect anonymized information from your game session to improve the user experience.**

## Collection of Information

We will collect anonymized information from your play of Playground AR. Please note, Playground AR does not collect the player's name, age, physical address, contact information, or any geolocation information.

Playground AR will never collect data incoming from your device's camera or pictures made with the in-game screenshot tool.

## Use of Information

We use the information that we collect to analyze and improve our game and support the internal operations of Playground AR. We aggregate all information collected so that it cannot be used to identify any particular player.

## Changes

We reserve the right to change this Policy at any time so please check this page on a regular basis so that you remain aware of what information we collect and how we use it.

If we decide to change this Policy, the changes will be updated to this document and they will take effect immediately.
